About Us:

CO-OP is a growing non-profit organization providing quality services to adults with disabilities. We have 32 residential homes including Acquired Brain Injury (ABI) homes, 6 day programs, which includes our expanding Milestone ABI Day Center. At CO-OP, we focus on a person-centered planning approach and provide support in the areas of life skills, social skills, and community integration.

An Equal Opportunity Employer

CO-OP is committed to the principle of equal opportunity without regard to disability, race, color, creed, religion, ethnic background, national origin, sexual orientation, age, gender identity, gender expression, veteran status, or disability in admission to, access to, treatment in, or employment in its programs and activities.
